Directions for New Zealand Impact Assessment

**New Zealand Association for Impact Assessment Inc.
2001 Conference Proceedings**

Soft bound in 165 pages, the report provides a transcript of the proceedings of the 2001 NZAIA Conference held at Capital House, Wellington, New Zealand from the 15-17th February 2001. Sessions documented include :

- * An Overview of New Zealand Practice: Evaluation and Impact Assessment
- * Evaluation – Assessing the Effectiveness of Policy and Programme Outcomes
- * How does economic analysis fit into this? (i.e. Evaluation and Impact Assessment)
- * How does government use evaluation?
- * Assessing and Monitoring Environmental Effects – the Changing Face
- * Ex Post Evaluation – How good are our assessments?
- * Panel Session - The Role of Consultation in Impact Assessment and Evaluation
- * Integrating Consultation into Decision-making: Case Study – Wellington Waterfront
- * The Challenge of Cumulative Effects Assessment (CEA) - Case Study: Marine Farming
- * Poster Paper Discussion Sessions
- * Qualitative Data Use And Analysis In Social Impact Assessment
- * Indaba (Open Space Session)
- * Closing Plenary - Where to from here for NZAIA?

The proceedings were transcribed from videotape by Q&Q Research and then lightly edited by a group of NZAIA members including Chris Cosslett, Tom Davies, Paul Lister, James Newell, Richard Peterson and Sarah Talboys. Q&Q Research Ltd. is made up of sociology and psychology graduates.
